UNRESTRICTED MAIL BID

SALE #29

PART 2

MEXICAN COINS

CLOSING DATE

TUESDAY SEPTEMBER 29, 1987

PONTERIO & ASSOCIATES, INC.

Terms of Sale

1. This is a mail bid sale conducted by **PONTERIO & ASSOCIATES, INC.** Subject to our consent, liberty for bidding by sellers and/or consignors is hereby reserved.

2. A 10% buyers charge will be added to the price of each lot. This charge will be added to all invoices.

3. Terms of this sale are strictly cash with payment due immediately upon receipt of invoice. Payment by check must be payable in U.S. currency only and drawn on a U.S. bank. No credit card purchases will be accepted. Title to all lots remains with consignors until paid in full.

4. Minors are expressly forbidden to bid in this sale.

5. Bidders not known to us must furnish satisfactory credit references sufficiently in advance of the sale, to allow for checking or a deposit equal to 25% of the bids submitted. This will, of course, be applied to purchases. Any overage will be promptly refunded.

6. All bids must be per lot as numbered in this catalogue. No lots will be broken.

7. We reserve the right to withdraw any lot prior to the sale.

8. All items in this catalogue are guaranteed to be genuine unless specifically stated otherwise in the lot description. Claims to the contrary must be made in writing within three days after receipt of the lot. Any returned lot must be intact and in its original unopened holder. No lot may be returned without prior written consent. In no event may any lot be returned after thirty (30) days from the date of sale. **LATE REMITTANCE FOR PURCHASES CONSTITUTES JUST CAUSE TO ABROGATE ALL RETURN PRIVILEGES FOR ANY REASON.**

9. Lots that have been examined prior to the sale may not be returned for any reason other than authenticity.

10. Grading is a subjective description in the opinion of the cataloguer as to the state of preservation of a particular coin or lot. The term "Proof" or "Specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloguer and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.

11. Please note: Auction sales are not approval sales. You must assume the responsibility for paying for all material that is awarded to you.

12. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next even dollar amount. Successful bidders will be awarded the lot at a nominal advance over the second highest bid. When identical bids are received for a lot, preference is given to the first bid received. We reserve the right to reject any bid that we believe has not been made in good faith.

13. We can not be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing to pay.

14. An estimate is provided for each lot. This estimate represents, in the opinion of the cataloguer, the current market value of the lot. Lots may, of course, sell for above or below this estimate.

15. All photographs in this catalogue are of the actual items being sold.

16. Postage, insurance and sales tax, if required by law to be collected, will be added to the invoice for any lot(s) invoiced to successful bidders. All lots delivered in the state of California are subject to applicable sales tax. Individuals purchasing lots for resale must submit an exemption certificate signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate or number, or be subject to the sales tax.

17. We reserve the right to require payment in full before delivering any lot to a successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer. All lots sent to foreign countries, including Canada and Mexico, will be billed an additional 1/2 of 1% for insurance. Minimum insurance fee is \$5.00. Please send shipping instructions. Normally all lots will be sent via registered mail.

18. In the event a bidder fails to make remittance promptly, we reserve the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.

19. If the invoice for this sale is not paid for in full, when due, the unpaid balance will bear interest at the highest rate permitted by law until it is paid in full. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other costs incurred by Ponterio & Associates, Inc. The courts of San Diego County, California shall have exclusive jurisdiction and venue over any suit initiated by Ponterio & Associates, Inc. to collect past due invoices and the service of process by certified/registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder.

20. We reserve the right to postpone this sale for a reasonable period of time as the result of any act of war, natural calamity or significant relevant event, which, in our judgment makes it inadvisable to hold the sale as scheduled.

21. Our ultimate liability for any item is the price paid.

22. By bidding in this sale, bidder personally guarantees payment; and if a corporation is the bidder, the officers and/or principals of the corporation agree to personally guarantee payment.

23. All bid sheets submitted by mail bidders must be signed. Company bids must be submitted with the signature of a duly authorized agent of such company.

24. Bidding in this sale constitutes acceptance by the bidder of all the forementioned terms and conditions of sale.

25. Please remember that the mails are sometimes very slow. Please mail your bid sheet early to be sure of our receiving your bids prior to the close of the sale.

26. We offer the service of limiting the total purchase of bidders. This service is available only to those bidders who wish to limit purchases to \$500 or more. To limit purchases, simply fill in the proper areas on the mail bid sheet. Bids may then be submitted for amounts up to three times the amount of your limit total figure. You may also enter your bids in an order of your preference. We will attempt to buy for you up to your limit in the order you designate. You may also select to bid on two similar lots with instructions to buy only one of them. For instance, if lot 102 and 103 were similar and you wanted only one of them, bid on both with instruction to buy only one. We will then attempt to buy for you one of the two for the lowest price.

INSTRUCTIONS TO NEW MAIL BIDDERS

Bidding by mail permits you to participate in an auction as though you were attending it in person. The procedure is really quite simple. You tell us what you want, and the maximum amount you are willing to pay. We then, as your personal agent, try to buy the items listed for you at the lowest possible price.

The enclosed mail bid form has two sides for you to fill in. The front side provides all the information we will need to register you as a bidder, execute your bids for you and deliver your lots to you if you are a successful bidder. Please answer all the questions that may apply to you. **DON'T FORGET TO SIGN YOUR BID SHEET.**

On the back side are pairs of columns where you may list your bids. After carefully reading the lot description, write down the lot number and the maximum amount you are willing to pay for that lot. Don't forget that a 10% buyer's fee will be added to your actual purchase price if you are the lucky bidder. Continue to list lot numbers and bids for each of the lots you are interested in buying.

LOT	BID	LOT
785	1000	-
813	2500	-
856	625	-
880	975	-
924	700	-
1108	5800	-
1142	575	-
1389	100	-
1398	93	-

When we receive your bid sheet, we will record your bids at the amount you have authorized us to bid for you, and we will, in addition, note any lots where an increase is authorized if absolutely needed to win the lot. For example, if the sample bid sheet shown at the right were yours, we would enter your bid on lot 924 as \$700. If yours was the highest bid received, you would be the purchaser at \$700 (plus 10%) or, perhaps even less. If the second highest bid received on the lot was substantially less, your bid would be reduced to a "normal" increment above that second-highest bid, just as it would be if you were present at the sale yourself to execute your own bids. If you have authorized a percentage increase on the front side of your bid sheet and the bidding by others has exceeded your basic bid, we will then, as your personal agent, increase your bid to the minimum amount necessary to outbid others to obtain the lot for you. The authorized increase will never be used except when your basic bid is exceeded.

Before you mail your bid sheet, do be sure to check it over to make certain you have bid on the correct lot(s) and that your bids are the ones you are both willing and able to pay for. Enjoy the catalogue, place bids on everything you would like to buy. If time is running out and you feel your bid sheet may arrive too late to be included, you may call our office between the hours of 8:30am and 5:00pm, Monday through Friday, giving us the lot numbers and amount you will pay for each lot, over the telephone. Please make sure you immediately send in your bid sheet for confirmation. As your personal agents we wish you every success.

The obverse is Brilliant with light matte surfaces, while the reverse has full cameo effect with deep mirror fields and finely detailed frosted devices.
